Balsamiq

About Me

A Fine Arts graduate, who is currently working for a plastic manufacturing business. Started out without any background in manufacturing but learned the importance of having soft skills and having an inner drive in identifying and solving problems. As a UX Designer, the goal is to passionately seek insights from data research and to use the analyzed data to create simple and thoughtful solutions for users.

***I am willing to relocate for a Full Time UX Position.**

Education

Frontend Development

CareerFoundry (March 2019- May 2019)

(3 Months of a Certified specialization course covering HTML, CSS and Javascript to build a website from scratch with the understanding of testing and debugging.)

Output : Able to build a responsive website from scratch.

User Experience Design

CareerFoundry (March 2018 – Feb 2019)

(12 months of Certified UX immersion by learning and applying UX processes with the guidance of an experienced Mentor and created a UX project individually)

Output : A conceptual app built individually from start to finish using UX processes, a hi-fidelity prototype and a website showcasing the Design Thinking Process.

Certified Digital Marketer

Asian Institute of Management (August 2015)

(A collaborative introductory course to Digital Marketing Fundamentals to unlock an area of interest among various disciplines)

Bachelor of Fine Arts Major in Advertising

University of Santo Tomas (June 2011 - May 2015)

Learned the foundation of the design and the marketing aspects of advertising by introduction to the aesthetic, design, and marketing principles.

Professional Experience

Office Administrator

Southeast Polymer Corporation (2015 - Present)

Responsibilities

Coordinate Daily Activities

Coordinate Staff Responsibilities

Supervise Production Quotas

In-Charge of Payroll

Side Projects

Rocket (In-House Company Software)

(Currently co-developing a Business Software with Backend Developers as the Company wants to transition from paper to a computer system.)

Project Role : UX/UI Designer
